60. Two challenges/threats identified from SWOT analysis
Financial support to fulfill the growing infrastructural demands.
Placement of the large number of students passing out of this college.
61. Identify any significant progress made by the institution towards achieving the goals and objectives during the year
Achieved A-grade in reaccreditation by NAAC
Computerization of library and office work.
Increase in student strength across various courses.
62. How do you perceive the role of NAAC in the quality development of your institution.
NAAC not only tells about the level at which the institution stands but it also gives complete guideline for future quality development by identifying the areas in which the institution can make considerable contribution and progress for the benefit of the stakeholders. It gives encouragement by giving positive remarks on the steps taken by the institution for the quality enhancement.

Concluding remarks

This exercise is intended to make a self analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analysed to get a cumulative index for the period of accreditation and reaccreditation. Any substantial changes/ initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create a quality profile based on the total score indexed at and this would help to map the institutions' strengths and areas of improvement.

NAAC will provide feedback and a quality profile based on analysis of your inputs if you desire so.
